Undelivered Packages from Amazon

If you have received a notice from the United States Postal Service that your Amazon package can not be delivered due to your address being over the ½ mile marker, please contact Amazon Customer Service at 1-888-280-4331.

Amazon's Customer Service has stated they have a form they can fill out for you so you can have your Amazon packages delivered by a different delivery carrier in order to receive your packages to your front door. (This form may take up to 3 weeks to process)
